Booklet

Welcome to HORSHAM JOGGERS

This booklet contains information about the club and our activities and the benefits available to Horsham Joggers. There are also details about our links with the German running club TG Lage. We have weekly Summer Pub Runs which begin in April and continue until September and during the Winter the pub runs are held monthly.

As a club we compete in 2 competitions:- the Sussex Grand Prix (SGP) and the West Sussex Fun Run League (WSFRL). Every member entering these races gets points for the club as part of a league competition. Remember if you are competing you should wear official club kit (i.e. running vest), which can be purchased from "Up and Running", Queen Street, Horsham. There are also club t-shirts and jackets that can be used for training and these can be purchased from a member of the committee.

We have a Notice Board at Broadbridge Heath Leisure Centre which is located in the corridor to the 'Tube', and a Joggers Book with Race Entries that is kept behind the Reception desk at the leisure centre.

There is also a website www.horshamjoggers.co.uk with up-to-date details of the club's events and we have our Facebook page (www.facebook.com/horshamjoggers) which will give you details about track sessions, Sunday Runs and events coming up.

We wish you every success running with the club. If you have any questions or ideas, or are able to help with activities such as training, marshalling at races etc please speak to any of the members at club night or email info@horshamjoggers.co.uk

ACTIVITIES

Horsham Joggers is a running club, founded in 1984. We have mixed groups to cater for all abilities, so whether you are a seasoned marathon veteran, just want to get in shape, training for your first 10k, or hate running on your own, you will be welcome at the club.

We are based at Broadbridge Heath Leisure Centre and we meet there every Tuesday and Thursday evening at 7pm, come rain or shine!

Club Night

Tuesday evening is the main club night, and we take a few minutes before the run to pass on any club information and social notices. Runners join groups dependent on ability and each group is led by an agreed leader. Runs are generally between 5 and 8 miles and can last between 60 and 90 minutes. Winter runs take place on the town roads and summer runs are a mix of road and cross country trails.

Track Sessions

The club hires the athletics track on Thursdays from 18.30 - 20.00. To keep annual subscriptions low we charge £2 per session to cover the cost of the hire. This is payable on the evening on the track. DC Leisure members need not pay as the use of the track is included in their membership. Horsham Joggers currently has three Level 2 coaches (or equivalent) who give up their time to organise and run these sessions. We also have several members with a Leader in Running Fitness qualification.

These sessions are NOT just for the "faster" runners, they are a great way for every level of runner to improve their endurance and speed, all are welcome, meet on the track.

Pub Runs

In addition to the club runs and track sessions we also organise summer and winter pub runs, starting and finishing at a nominated pub in the surrounding area.

Sunday Runs

As well as the two evening runs, there are often Sunday morning runs (starting at 9 am) organised by various club members. These runs give an opportunity to enjoy the countryside around Horsham and, weather permitting, make use of footpaths and cross country tracks.

Marathon Training

Marathon training usually begins on the first Sunday in January every year. This consists of organised Sunday morning runs, increasing in distance from 10 to 21 miles with maps, water stops and back up vehicles. As a club we receive club places each year which are placed in a ballot for members who have not got a place in the London Marathon or the Brighton Marathon. The rules for entering this ballot are on the noticeboard and in the Race Book.

Sussex Grand Prix

Horsham Joggers is a member of The Sussex Road Racing Grand Prix. This is a series of road races held within Sussex during the calendar year. These races are not just for the faster runners! Anyone can take part and there are runners of all levels at the races. As part of the Sussex Grand Prix racing programme we organise our own Horsham 10k road race held in May every year.

In the overall team competition for 2013 Horsham Joggers finished in 2nd place out of 20 Sussex Clubs. To recognise the contribution of everyone who completes 8 or more qualifying races, Horsham Joggers presents awards to all HJ members who fulfil these requirements.

For more information about the Sussex Grand Prix - www.sussexgrandprix.co.uk.

West Sussex Fun Run League

Horsham Joggers also belongs to the West Sussex Fun Run League. Races are organised by local running clubs and take place at locations all over the county. The emphasis is on the fun run element in all races!. These races are also not just for the faster runners! Anyone can take part in the fun! The original idea was to make races accessible to all levels of runner. For more information see the WSFRL website www.westsussexfunrunleague.org.uk.

Horsham Joggers organise the Valentine's Race within the WSFRL, held early in February every year.

Night Runs

From October throughout the winter months there are 'headtorch runs' every Thursday at 7pm from a different pub each week. This is a steady run of about 1 to 1½ hours running together in a single group. Headtorch and reflective clothing essential. Contact Mike de Frateschi for more details - m.defrateschi@zen.co.uk

Socials

Horsham Joggers also has a very active social side, with several events taking place throughout the year. These have included ten pin bowling, brewery trips, go-karting, pasta parties and finishing the year with the Christmas party.

Twinning

Horsham Joggers is twinned with a running club in Lage, Germany (T.G.Lage) and also with a running club in Deurne in Holland (LopersGroep Deurne). There is an open invitation for Horsham Joggers to take part in any running event in Lage or Deurne.

Running Gear

Up and Running is Horsham's independent specialist running shop, run by a Horsham Jogger, by the way, which purports to sell everything that the runner needs. Check out their website www.upandrunning.co.uk/shops/horsham.

Junior Section

At present the club does not have a junior section.

YHA Membership

The club is a member of the Youth Hostels Association (YHA) so if any members want to use the hostels for a running event or organise a cross country team event (e.g. running the Penine Way) then the membership card is available to use by members.

After club runs on a Tuesday night showers at the Broadbridge Heath Leisure Centre are free for members to use. This facility is included in the annual membership fee.

What is the West Sussex Fun Run League?

The League was set up in 1982 to promote fun running for everyone, from juniors to vets, male or female, regardless of ability. One of its objectives is to encourage runners to join clubs in the League

There is a scoring system reflecting participation as well as winning, and the key principle that events should be cheap to enter (£3 per runner) to attract as many runners as possible. Events are staged over 5km to 10km with spot prizes as opposed to prizes for excellence. For more information visit the website www.westsussexfunrunleague.org.uk or contact our WSFRL co-ordinator Victoria Saunders at victoriasaunders@btopenworld.com

Sussex Grand Prix Calendar 2015

This is a competition between Sussex Clubs for points gained in the challenging 20 race series. In 2007 Horsham Joggers won the Sussex Road Racing Grand Prix title and in 2013 we came 2nd in the overall team prize. The aim this year is to get back our title!

All members entering the races get points awarded to the club so its not just the winners that score any points. The first man and the first woman will both score 500 points, the second man and woman will both score 499 points, and so on, down to the 500th man and woman, who will both score 1 point. After each race, the points that you score are recorded and kept as a cumulative total. To be eligible for prizes you must score in at least eight races (if you score in more than eight, then your best eight scores will count), two of which must be of 10 miles or more. Give it a go and help us to win the title!

CA: Christobel Avery; CAs: Colin Ashby; PD: Peter Dudman; PE: Peter Everett; MdF: Mike de Frateschi;
HM: Hugh Martin; AP: Alan Pettit; SG: Sue Gallagher; WM: Wendy Moulding; NM: Neil McLachlan; VM: Val McLachlan;

Internal Club events

Challenge Trophy

This is a competition for members of the club to see who is the fastest (within age categories) over a 10k distance, 10 mile distance and a half marathon distance. The selected races for members to compete in will change each year. For 2015 the races are:-

- Chichester 10k (9th February)
- Haywards Heath 10 mile (4th May)
- Barns Green Half Marathon (28th September)
- Steepdown Challenge 5m (18th October)

The fastest male and female overall will be awarded the Challenge Trophy and there will be awards for each age category winner (including the CT winners) for male and female.

Itchingfield Time Trials

This is a competition to find out the most improved runner using 3 timed races (over the same course) during a 4 month period.

This is an individual timed circuit around Itchingfield. These are held over 4 Tuesday club nights in the light evenings of summer. Members can run all 4 Trials but only 3 count (the three that show most improvement). The distance is approximately 5k and starts and finishes at Itchingfield school. The winner is not necessarily the fastest runner but the person whose time over this distance has improved the most.

Handicap Race

This is a 5 mile route usually around Horsham where the slowest runners will be starting first with the faster runners chasing to catch up. All participants provide their 10k time and this is used to stagger the start of everyone entering. If the calculations are accurate then everyone should be finishing together. In the last few years it has been the slower runners who have beaten the faster runners! There are currently two handicap races held each year, one in summer (June) and one in winter (November).

West Sussex Fun Run League Competition for HJ members

This is a new competition open to all new runners who have been with the club less than 2 years. All members entering the races get points awarded and to be eligible for prizes you must score in at least 8 races (in total there are 18 races). The distances for these races are between 3 and 6 miles and are organised by local Sussex Running Clubs for the 'fun' runner.

Running on the Track

"TRACK "ETIQUETTE" is mostly common sense and awareness, but here are a few do's and don'ts when track training.

1. Be aware of other runners

Don't be intimidated by runners who are quicker than you or seem to think they are better than you. You have just as much right to be there.

On the other hand, other runners, especially quicker guys will get frustrated if you don't pay attention and show consideration to everybody else. Also if you are crossing the track look both ways!

2. Run in the right direction.

The typical direction for most tracks is counterclockwise, but it can vary. Look for posted signs indicating which direction to run or follow the lead of others runners if you're not sure. Often runners will do their warm ups in a clockwise direction (i.e. opposite to training sessions) so that it clearly identifies them as just warming up/down.

3. What distance is the track

Each lane has a staggered starting line because you are going farther when you are outside of the first lane. Generally each lap is 400m, and 1 mile (1600m) will be approximately 4 circuits around the track. Each 400m lap is clearly marked with the 100m stages.

4. Run in the correct lane.

If you are running the faster parts of your interval training (e.g. 6x800m with 200m recovery jogs), you are entitled to work in lane one and quicker pace runners should pass outside you. Don't, though, run more than 2 abreast because this forces them to pass very wide and encounter problems with people warming up or down in the outside lanes. Do your recovery jog on the outside lanes, not too many abreast, and keep alert for sprinters coming from behind - they sometimes use outside lanes because the inside has too much traffic!

5. Don't stop suddenly

When running, never stop suddenly, except in dire emergency, otherwise a fast runner behind you may crash into you. When you cross the finish line take a few metres to slow down and be aware that runners following might be continuing another lap, so carefully get out of their way. Always pay attention to runners around you when you are starting and stopping

6. Don't stand and chat on the track

Never stand chatting on the track. Just step off onto the grass or on the outside and chat there.

7. Passing runners on the track

If you are in front of a fast runner and you hear them approaching from behind, DO NOT try to get out of their way. Doing this will end up with you moving directly into their path and you will collide. They can see you; you can't see them. Just hold your line and they will go around. As long as you just hold your line. Sometimes they will yell things like "on the left" or "on the right" or "passing" or "track" to indicate they are about to pass. Just hold your line and let them get around you.

8. Can I run with an ipod?

Please do not run with an ipod - the use of ipods will stop you from hearing other track users and put you in danger of injuring other runners as well as yourself.

The continental side of Horsham Joggers

The twinning of Horsham with Lage in Germany started in 1984 when Paul Brant, from the Brighton Road Baptist Church, took a football team over to Lage. From those early days, the twinning has really taken off with many schools and sporting exchanges and many life long friendships being formed.

Horsham Joggers received an invitation from the running club TG Lage back in 1988. We were invited to take part in their Horsterberg-lauf half marathon. Seven members from HJ took up the challenge and have never looked back. In 2010 17 members from TG Lage came over to run in the Barns Green Half Marathon which they have been taking part in since 1993.

The most memorable events have been the international relay runs. They are normally run over 6 days, covering around 700 km. TG Lage invited runners from Horsham to join them in their relays to Cressier (Switzerland), St Johann (Austria), Prague (Czech Republic) and St Maxient (France). The relay round Holland was a truly international event with 16 runners from Horsham, 12 from Deurne (Holland) and 4 from TG Lage. The last relay was in 2005 when HJ, together with TG Lage, ran from Lage to Horsham to celebrate 21 years of twinning.

Below is a picture of the clubhouse that TG Lage own. It caters for all sports as well as running. Next door is a hostel where people can stay at very reasonable rates. Most of the runs are in the nearby Teutoburg Forest. The town is very similar to Horsham with a market every Saturday. Speaking German is not essential because everyone over there speaks English and is very friendly.

Dave Maurice is our twinning representative who can provide details of when the next races are organised. If you are interested in some continental running in very scenic mountains, along woodland trails contact Dave (David.maurice46@gmail.com) for more information or visit the official website www2.lage.de (which is in German but has some pretty pictures of the countryside, market and town hall). Their main races are the Hermannslauf (33km) run in April and the Horsterberg-lauf half marathon and 10k run in May each year.

What is Affiliation?

The sport of athletics has a central body called UK Athletics who set the rules and standards for all affiliated athletic bodies including running clubs such as Horsham Joggers. It ensures that minimum standards are set for the organisation, safety and medical cover at road races. Their headquarters are in Birmingham and all the affiliation fees for Horsham Jogger members are sent there.

We work closely with the South Eastern area representatives of England Athletics who provide access to running coaches, speakers and also give us grants for the club to train their members.

Why affiliate?

On an individual basis one of the main advantages of membership to England Athletics is the reduced entry fees to races.

Member registration ensures that members receive a competition licence which reduces the fees charged by race organisers. For example if you entered the Horsham 10k race the entry fee for affiliated members is £10 and for all unattached runners it is £12.

Who is our EA representative?

The England Athletic representative for Sussex and Kent is Elspeth Turner who is based at Broadbridge Heath Leisure Centre. Her role is to support the development of clubs and coaches and will look to provide greater investment and support at a local level. See the website for further information - www.englandathletics.org

EA Training Courses

There are numerous athletic courses organised by England Athletics including the first level training course 'Leadership in Running Fitness'. Further coaching courses are also available for those who want to progress the qualifications to a higher level. Currently there are 15 members qualified to provide coaching in the club.

Learn to Run Courses

For people new to running we organise Learn to Run Courses which is open to all ages and fitness levels. This Horsham Joggers course will train members from absolutely nothing to 5 km over 10 weeks. They are run by our trained coaches.

The course involves a 20-minute talk (expect topics such as shoes, clothing, nutrition and stretching) followed by a run on Tuesday evenings (start 7.00pm), and practice runs on Thursday nights (7pm) and Sunday mornings (9am).

For more details look on the Horsham Joggers website (www.horshamjoggers.co.uk)
