

**Horsham 10k**  
**Junior Race Report**  
**by Sharon Gibson**

Another great junior day out where 74 juniors (aged 3 to 14) took part in the Fun Run at the Horsham 10k event.

It was great to see the club runners with their speedy legs and also those that enjoyed a plod around the rugby field (a bit like their Race Director) – whatever level of ability, it is far to say that they all enjoyed themselves.

Some had so much energy left over that they enjoyed the bouncy castle and others joined their mums and dads later when their parents were crossing the finish line after a hot 10km.

The overall winner was Cassius Hebden (aged 14) and the fastest female was Emily Carman (aged 10).

The course records of 2013 still stand. Cassius ran a time of 4 minutes 30 and Emily a time of 5 minutes 15.

Trophies were also awarded to:-

<b>Age Cat</b>	<b>Boy</b>	<b>Girl</b>
U16	<b>Cassius Hebden</b>	Amy Mills
U14	Reuben Marsden	Nikita McMahon
U12	Ryan Rothe	<b>Emily Carman</b>
U10	Riley Mitchell	Rylee Rothe
U8	Charlie Carman	Cleo Gorringer

Great to see Ryan and Rylee winning their age categories whilst wearing their HJ kit :-), but not to be beating the Carman family also took two age category trophies home too.

That's it for now – but looking forward to seeing what the juniors can do later on this year at the WSFRL Gunpowder Trot.
