3. **Place of birth:** Horsham (One of the last few!)
4. **Children/family/pets:** One daughter, (Megan) one cat (Henry) and one fish (Brian)
5. **Why Horsham Joggers:** I started with a learn to run course in 2016 in the attempt to lose some weight before getting married that year. I met such great people that I couldn't imagine running with anyone else
6. **Who do you run with:** My wife, (I have to, really) my L2R 2016 buddies and The Old Gits normally. I'll run with anyone and just love having a chat
7. **How long have you been running:** Since April 2016
8. **Biggest achievement so far:** Officially, The Fox trail marathon. I still count my first ever 10k at Littlehampton as the biggest personal achievement as I still get the sweats thinking about how nervous I was!
9. **Future goals and ambitions:** South Downs Way 50 mile in 2021
10. **Favourite run/route:** The first leg of the Horsham Round. The section through the woodland is just beautiful
11. **Favourite piece of running kit:** My Salomon hydration vest
12. **Specialist subject on Mastermind:** The TV series, Red Dwarf
13. **Favourite after running treat:** Pizza
14. **Funniest running related story/event:** Oxford half marathon. It rained so hard and for so long that you could not breath properly without it going in your mouth and made puddles in the elbows of your waterproof. Still managed to break 2hrs for the first time too!
15. **Tell us something that we do not know about you:** I have a permanently fractured spine (Spondylolisthesis)
16. **Tips or suggestions for anyone thinking of starting to run with HJ:** Just go for it and do not be put off thinking you're not good enough. It's a fantastic club and super-welcoming
