

Health and Safety Policy

Statement of Intent

This is the health and safety policy statement of Horsham Joggers.

Our health and safety policy is to:

- Prevent avoidable accidents
- Manage health and safety risks in our organised events
- Provide clear instructions and information to ensure run leaders are competent to do so
- Implement emergency procedures, including evacuation in case of fire or other significant incident
- Review and revise this policy regularly.

Responsibilities for health and safety

The overall and final responsibility for health and safety lies with the Committee.

The responsibility for ensuring this policy is put into practice depends on the activity.

- Tuesday run groups – run leaders
- Track or Thursday training – the coach in attendance
- Events – Race Director

Maintenance or improvement of policy

To ensure the health and safety standards are maintained/improved, the following will apply:

- The run director appointed for each major event (Gunpowder Trot, Horsham 10k, etc) will ensure that risk assessments have been carried out and public liability insurance has been procured
- Welfare Officer to ensure that First Aid training is provided from time to time to members.
- Club Secretary to ensure accidents are reported and recorded.
- The organiser of indoor events will ensure escape routes are well signed and kept clear at all times, making reasonable adjustments to ensure inclusivity.

Risk assessments

- Risk assessments will be carried out before major events.
- Training on risk assessments to be provided on a needs basis
